This comprehensive step-by-step guide is designed to facilitate smooth navigation through the registration process of the application, ensuring users can effortlessly complete each stage and successfully register for access.

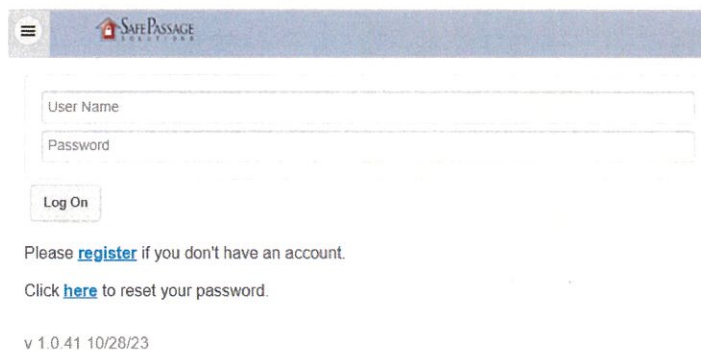

Download and Install the Application

- Go to the App Store (for iOS devices) or the Play Store (for Android devices).
- Search for the term **SafePassageMobile** and download the app.
- Follow the on-screen instructions to install it on your device.

Open the Application:

- Locate the app icon on your device's home screen or app drawer.
- Tap on the icon to open the application.

- Click **register**
- Once the application is open, look for the **register** button and click on it.

This is the first step of the registration process. The header includes a menu icon, the Safe Passage Solutions logo, and a "Register" button. The main section is titled "Find your community" and contains a search input field with the placeholder text "Search". Below the input field is a "Search" button, and at the bottom is a "Next" button.

Select Your Community and Proceed:

- After clicking **register** you will be prompted to select your community.
- Choose your community from the provided options and hit "Next" to proceed.

This is the second step of the registration process. The header is the same as the first step. The "Find your community" section now shows the word "DEMO" in the search input field. Below it is a "Search" button. A "Community:" label is followed by a dropdown menu that is open, showing three options: "Demo Database Network", "Local Desktop Demo Database Network", and "Vacc Demo". A "Next" button is at the bottom left.

Input Your Address:

- Enter your address into the designated field as requested.

This is the third step of the registration process. The header is the same. Below the "Find your community" section, there is a search input field containing "12345". Below this is a dropdown menu showing a single suggestion: "12345 SafePassage Solutions".

Supply All Required Information:

- Fill in all the required information fields. This may include personal details such as your name, email address, etc.
